

School Board Survey (Add Year)

INSTRUCTIONS: Return the survey from ***your email address*** to **(put your email here)**

Please let us know if you choose not to participate.

Answers to the surveys will be distributed to your constituents for informational purposes only.

By responding to this survey, you consent to its further distribution, use, and publication.

What is opt-in and opt-out?

Parents can opt-out of specific curricula, but if the school does not receive an opt-out form, their child is included in the class. Opt-in means the school must have the permission form in-hand from the parent before the child can participate in a specific class.

YES	Undecided	NO	Issue	
			1.	Do parents/guardians have the primary responsibility and authority over their child's education and healthcare?
			2.	Do you believe parents lose their right to make education and mental health decisions for their children when they enter a public school?
			3.	Should parents be required to give permission for their child to opt-in for ALL sex education classes for their children?
			4.	Do you believe a child can be referred to a counselor or mental health therapist without the parent's consent?
			5.	Do you agree parental/guardian informed consent should be required to refer students for hormones/puberty blockers?
			6.	Should parents be notified when there is to be a classroom discussion about sexual orientation and gender identity?
			7.	Do you believe it is harmful to our children to be introduced to obscene and pornographic books in the school library?
			8.	Do you agree with Diversity, Equity, and Inclusion being taught in our schools?
			9.	Do you believe there should be filters on students' Chromebooks?
			10.	Do you believe children should be taught there are more than two sexes beginning in kindergarten?
			11.	Do you believe a school district should refer to a child's preferred pronouns without disclosing such to the parent?
			12.	Should schools teach core competencies (math, reading, science) and not cultural competencies?
			13.	Do you agree with School Based Health Clinics being located on school property?
			14.	Would you support an Opt-In for online Panorama surveys and GADOE wellness surveys? (Data mining students and parents' information)

YES	Undecided	NO	Issue
			15. Do you understand your state's Sunshine Law?
			16. Do you support dropping letter grades?
			17. Do you think biological sex of the student should be the sole determining factor for using the restrooms and locker rooms at school?
			18. Do you think a student in the process of transitioning to a different sex should be barred from competing in school sports?
			19. Do you think children should be taught that homosexual behavior is normal and acceptable?
			20. Do you think there should be School Resource Officers?
			21. Do you think school board meetings should open with prayer/pledge?
			22. Do you know Social Emotional Learning (SEL) is an expression of cultural Marxism/critical theory?
			23. Do you support biometric tracking in our schools? (Iris scan, blood sample, fingerprint, DNA)
			24. Do you believe school boards should regain their authority and power from their credentialing organizations?
			25. Who do you believe should have the decision-making authority, the school board member or the superintendent?
			26. Would you stand up against the majority of the board if something were being pushed that would be harmful to the students?
			27. Do you believe school counselors should have the ability to go beyond their scope of practice, college and career, and assess students for mental health issues?

What do you see as the major issue(s) facing your school district? Public education?

What do you see as the primary work of the board of education?

How can a school board of education best communicate with its constituent groups?

What issues do you believe your district needs to address in its academic program and offerings? What changes would you recommend?

How does a school board balance the need to provide a quality education with the need to respond to the local taxpayer burden?

What experiences or skills have prepared you to serve as a board member?
